EXCELLENCE BEYOND BORDERS

**600X600MM**  
CARVING COLLECTION

C R E A T E

## A UNIQUE WORLD

A story that adds new chapters every time. Hidden away in the  
Varied, multi-faceted appeal of marble are stories from the past and  
Present, pulsating with life. A fine line separates the artificial from the  
Natural, when light spreads through and leaves its mark on surfaces  
Strongly bonded with the living styles of the future.

The other colours start out from black, gradually shifting through  
Dark and light grey to white. The subtle texture and veins,  
Tempered with a very light white, reminiscent of the night sky  
In black, give the product a smooth, extremely  
Sophisticated appearance.
